Rules (to be strictly followed):

1. General game specific rules for dota-2 should be followed.
2. Major penalties are given for major incidents such as deliberately deceiving admins, failing to show up for matches, repeated rule breaking, and any activities will violate the general code of conduct.
3. All broadcasting rights of the tournament are owned by the tournament organizers.
4. All matches in the tournament should start as the provided schedule given to the teams. all teams and players in a match should be in the game lobby and ready to go at the latest 15 minutes before the match is to start.
5. When cheating is uncovered, the team will be disqualified from the current tournament and future tech fest tournaments as well.
6. To make any changes in the team roster, team leader needs to send a mail at techcracy.insomnia@cit.ac.in.
7. Just in case any team is unable to make it to the final venue. the next best contender will replace that team.
8. In case of any dispute, organizers decision will be final and binding for all.
9. For any queries or reporting any incidents in-game, kindly drop a mail at techcracy.insomnia@cit.ac.in
10. The team brackets will be provided to the team leaders after an hour of closing the registrations. Any team failing to show up before there designated time will be disqualified.
